### **Wellington Representative Team Coaches Report.**

Allan Heald Presented report, Team Training Layout, and results.

Training had individual sessions but overall focus was a Team strategy rather than individual achievements. Allan felt that team "gelled" together well especially the men.

The goal was set to be in the top 3. Both men and women teams finished 4<sup>th</sup> and Wellington team finished 4<sup>th</sup> overall. The only other team to have both men and women teams achieve equal placings was Waitakere, the overall winners. Their team being 95% NZ representatives. Excellent result.

Thank you to WCBA for the funding, bowlers still had to raise \$275 each, but without funding it would have been more.

Allan would like to see Representative Trials started earlier to achieve more training, and that team members acknowledge the commitment to training and the team.

WCBA thanked Allan for the hard work, a good report and great result.
