Grants	Ian Klein has closed off the Wellington Rep team's grant to Pub Charity.
Finance	A summary back to the committee that there has not been much activity since the last meeting as membership has been slow in coming in. Monday Business House, Wednesday Socialites and Happy League memberships still are still to be seen.
Tournament	Various house tournaments are available via all four centers. We aim to have these published in our next newsletters to our members and to assist in promoting up and coming tournaments for centre management.
Coaching	Ivena Heald ran her first bowling camp as part of the TBNZ initiative for a pilot to growing woman's bowling fundamentals. 8 ladies have taken up this pilot scheme by invitation. This is a two year program with commitment required by all ladies who have joined the scheme and consists of active and passive coaching.
Membership	Ian Klein to liaise with Linda George on distributing memberships packs to members who have joined.
Newsletter	We aim to have a midyear newsletter out to our membership base and on our website. It was requested that the committee and Strike Management are to send Graeme Finn ideas for articles to be put in this. President Wayne Booth will make contact with Bowlarama and Kapiti for their input from these centers. Wayne would like to have a piece regarding donations to the WCBA including and a tear off slip with our bank account number with a note to say that proceeds to go to the next WCBA tournament.. Ideas discussed for this publication were: WCBA champs results, Wgtn team results, coaching tips, up and coming tournaments. Perhaps a spot light on a bowler. Graeme Finn Treasurer/Newsletter Producer is to write this edition and to email the committee on what email address to use for this information
Awards	Jane to resend details of this year's awards to the website manager Vanessa Tomlinson so that they can be updated onto the website.

Website	A mock up of a new look website is to be put forward to the committee for review. We wish to thank Garry Hannah (WCBA member) for assisting with this work and look forward to seeing more at our next meeting.
General Business	<ul style="list-style-type: none"> ▪ Correspondence: Email from Tania West regarding wind up of a 2008 league and distributing of their prize fund. Wayne Booth to action and get Tania to provide more information of bowlers names in this league. ▪ Centre Clubs: Wayne to respond to Albert and ask to submit a proper business proposal so that it is clear on the objectives, goals, fees, and running of the Newtown Club. This so that all committee members understand his message and can make decisions based on a clear proposal instead of an FAQ's based document. . Dion to submit a Strike business proposal with their ideas. ▪ Wgtn Rep Team 2011: TBNZ have given information to last years coach on how they would like to work the 2011 teams. TBNZ would like to have a regional based team's not centre based teams. Allan Heald has been in consultation with TBNZ, and has put together a mock up for consideration. (see attached proposal). WCBA will still run the trials as part of our affiliation with TBNZ. This proposal requires feedback and consult. It is requested that this feedback be given to the President (Wayne Booth) ▪ WCBA Advertising: President to email centers regarding the idea of having WCBA advertising displayed on monitors where available. ▪ WCBA marking plan: Ellen Slater submitted a 7 page professional strategy and marking plan. This includes research, marketing/business planning, financial strategies, promotions/ events, review and success criteria. ▪ This piece of work also included some new looks in the way of logo's. Ellen to email all committee members this information as only limited hardcopies could be produced. It was requested that all committee members are to be ready to discuss these findings at the next meeting. We also require our members to par take in a survey to get a better facts on how many people would like us to drop the word "competitive" as we have had feed back that this scares people off joining the association. We have no real numbers to gauge if we are acting on the feedback from the minority instead of the majority of members
