WCBA ... Who are we & why do we exist ??

Welcome back to a new WCBA year (2007).

Following is a quick refresher on who we are & why we exist ...

Back in the late 1990's, a group of local bowlers got together, who felt there was a need for an official association to assist local bowlers & aid in getting grant funding from charitable organisations.

In April 2003, the name was changed to the Wellington Competitive Bowlers Association (WCBA) & became Incorporated later the same year.

For those that know the members of the previous committees, you will know how passionate they are about our chosen sport.

This years AGM saw the stepping down of the following committee members due to personal reasons ...

- Roger Pederson ... who we would like to take this opportunity to thank for his dedication over the past few years & wish him well for the future.
- Wayne Kilgour ... however Wayne has agreed to continue the newsletters.

The WCBA would like to thank all the Charitable Trusts that provided grants to the WCBA in 2006.

The total amount was over \$14,000

Without their support, a number of activities could not have been possible.

It was also noted at the AGM, that grants were getting harder & harder to get.
